PROFILE SUMMARY

Management student focused on **retail growth**, skilled in **revenue modelling**, market research and **structuring business problems** into actionable recommendations

INTERNSHIPS

PR Intern, SPAG FINN Partners

Apr 2026 – May 2026

- Curated 4 media lists of 300+ contacts each, building and managing a **1,200+ journalist network** for client outreach and follow-ups
- Developed media trackers across print & digital, monitoring **100+ brand mentions** to strengthen **client reporting**
- Synthesized clinical research into **7 publication-ready articles**, simplifying complex information for wider audiences

Marketing Intern, Gape Labs

Jun 2023 – Jan 2024

- Managed **10+ influencer partnerships** for the pre-launch of a multiplayer mobile game, expanding organic reach
- Analyzed digital trends & audience behaviour to inform targeting, contributing to **15% growth in pre-registrations**
- Built & managed a **500+ member Discord community**, **increasing engagement by 25%** through consistent content and activity

ACADEMIC PROJECTS

Retail Growth & Sales Strategy

- Built a **bottom-up revenue model** for a proposed **metro-station kiosk** using footfall, conversion and seasonal demand to assess **location viability**
- Benchmarked **competitor pricing and channel strategies** across ice cream brands and designed a **consultative sales script** to drive higher average bill value

Marketing & Retail Decision System

- Designed a **stakeholder-specific decision-support system** spanning marketplace, owned-brand and **offline-retail** units, enabling drill-down from region to city, **store**, campaign and week
- Structured **leading and lagging KPI frameworks** and a **what-if scenario planner** to guide investment reallocation based on marginal returns

Marketing Acquisition & Unit Economics

- Built an interactive **Power BI dashboard (DAX)** integrating acquisition, order, refund and UTM data to connect customer acquisition with **profitability and unit economics**
- Diagnosed **flagship-product revenue concentration**; recommended **portfolio diversification** and a rebalanced channel mix

KEY SKILLS

Retail Strategy • Revenue Modelling • Competitor Benchmarking • Consultative Selling • Power BI • Excel
